PREFACE

In presenting to our patrons and the public our eighth directory of Peterborough, we feel confident that it will meet with their approval. The work has been done in a thorough manner and while errors will creep in we are satisfied that they are few.

There may be some names missed out but in most cases these may be accounted for by removals during the canvas

There are some names that may be found twice which is caused by the different spelling at the places where the names were obtained

THE CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the city and represents them to the outside world only as a business Directory can.

THE MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to strangers.

THE STREET DIRECTORY will be found a valuable addition,

Thanking our patrons for their patronage and the public generally for the assistance they have given, we remain

Respectfully,

THE PUBLISHERS.
